

PRODUCT DESCRIPTION

An Elegant Solution for Onsite LED Installation

The LED Channel Mount packages LED Tape with Rosco's color and diffusion into one complete assembly.

Mount LED Ribbon or Tape (not included) cleanly, neatly, and professionally using the LED Channel Mount's robust, aesthetically engineered aluminum housing.

Fine tune the color and beam spread of these LEDs in the field using Rosco color and diffusion filters pre-cut to fit the clear cover.

The LED Channel Mount is field cuttable, so it can be customized onsite like the LED products it is designed to work with.

PRODUCT DIMENSIONS:

Assembled Dimensions:
 Height O.D.: 1" (25.4mm)
 Width O.D.: 1" (25.4mm)
 LED Channel Width: 0.67" (17mm)
 Length: 72" (1,828mm)
 Weight: 1.35lbs
 Shipping Weight & Dimensions: 2lbs, 1 5/8" x 76" Tube

ASSEMBLY INSTRUCTIONS:

- Insert LED Ribbon or Tape (not included) into the LED Channel Mount.
- Install the Mounting Clips into place. Snap the assembly into the Mounting Clips.
- Add Rosco Color & Diffusion as needed into the plastic cover and slide it into the top groove of the extrusion.

PRODUCT SPECIFICATIONS:

295610000072 LED Channel Mount Kit
 Contains:
 (1) 72" Extruded Aluminum Housing with Heat Sink
 (1) 72" UV Stabilized Clear Cover
 (1) End-Cap closed, (1) End-Cap with wire pass-through, (4) screws for end caps
 (3) Standard Mounting Clips
 Suitable for Indoor Installations Only
 Field Cuttable
